

WHEN DO I KEEP MY CHILD HOME FROM SCHOOL?

If your child has any of the symptoms below, please keep them home and let us know. COVID-19 symptoms may include:

Patients with COVID-19 may have these symptoms:

While many of these symptoms are related to other common illnesses, such as the cold or seasonal flu, or maybe even allergies, our number one goal is to keep our students and staff safe and healthy.

As is the case each school year, if your child is vomiting or has diarrhea, please keep them home and notify the office.

Depending on the type of symptoms your child is experiencing, we may ask them to **stay home for an extended period of time** and/or suggest that you get a COVID-19 test or see your healthcare provider. This will be based off of guidance provided by the Oregon Department of Education and Oregon Health Authority.

THANKS FOR HELPING US KEEP YOUR CHILD SAFE AND HEALTHY!
