PREFACE

The Lebanon Community School District is dedicated to developing responsible and caring citizens. To develop responsible and caring citizens, the District believes in the right of the students to receive the best education that our resources can provide.

The right to an education is based on the concept of individual human dignity, which includes individual choice and the responsibility of accepting the consequences of that choice. The orderly operation of schools requires the respectful cooperation of students, parents, community, staff, and the School Board.

Lebanon Community School District does not discriminate on the basis of race, religion, color, national origin, disability, marital status, sex, sexual orientation or age in providing education or access to benefits of education services, activities and programs in accordance with Title VI, Title VII, Title IX and other civil rights or discrimination issues; Section 504 of the Rehabilitation Act of 1973, as amended; and the Americans with Disabilities Act; and the Americans with Disabilities Act Amendments Act of 2008.

The material covered within this *Hamilton Creek School Student and Parent Handbook* is intended as an opportunity to communicate to students and parents regarding general school information, expectations and procedures. Any information contained in this handbook is subject to unilateral revision or elimination from time to time without notice. This handbook is not intended to either enlarge or diminish any Board policy, administrative regulation or negotiated agreement. Material contained herein may therefore be superseded by such Board policy, administrative regulation or negotiated agreement.

Pursuing excellence for every student every day!

WELCOME to HAMILTON CREEK SCHOOL! HOME of the COUGARS!

The staff welcomes you to Hamilton Creek School. We want you to enjoy your years here and hope the challenges you face encourage you to do your best in the classroom and in extra-curricular activities. We want you to take pride in Hamilton Creek School, appreciating the diversity present in our school. We want Hamilton Creek School to be a safe place for all students, and we encourage you to come to school each day ready to give it your best. We will help you be successful and to celebrate your successes!

Hamilton Creek strives to create a safe, caring learning community that promotes the social, emotional, and academic development for all students.

VISITING and VOLUNTEERING at HAMILTON CREEK SCHOOL

Welcome! We are glad you are here. The following procedures are designed to make your visit pleasant and rewarding while maintaining a productive and safe learning environment for students.

Any volunteers (including parents) who meet the following criteria must complete the **background check process** and may not volunteer until the background check clears:

- The volunteer will have contact with students;
- The volunteer has a regular and ongoing assignment at the school;
- The volunteer will be off campus on field trips with students; or
- Any frequent visitor

Background Check Process

As a visitor/volunteer, please:

1. Submit the Criminal Background Check (every 3 years) which can be found online at:
<https://www.helpcounterweb.com/welcome/apply.php?district=lebanon>

Visitor/Volunteer Expectations

1. **All parents and visitors are required to sign in at the office** and will be given a visitor's badge to wear. For safety reasons we ask that all parents and visitors **enter and exit the building through the front doors. All other doors will be locked.** Please sign out when you leave.
2. **Arrange your visit ahead of time** so that the teacher can have a place for you and your belongings.
3. We are unable to provide supervision for additional children. **Because of liability issues, lack of space, and the extra burden put on the teacher, we do not allow student visitors to attend class.** Students from other K-12 schools or younger siblings are not allowed to visit during the school day, including lunch time, unless approved in advance by the administrator.
4. You may notice that visits may excite or distract some students during instructional time. Typically, a smile or nod and then going about one's business will encourage those students to get back on task.
5. When volunteering in classrooms, avoid interrupting a teacher during instructional time. If you have questions or concerns they will be happy to discuss them with you at an agreed upon time.
6. If you observe something that concerns you, please inform the teacher. Also, be aware that discussing a child with someone other than the teacher can violate the child or family's privacy rights.
7. Remain in the cafeteria if you eat lunch with your child. Due to liability and safety reasons, we do not allow parents on the playground during any recesses.
8. Parents may not escort students to class or pick students up from class.
9. If you are thinking of bringing an animal to campus, please contact the office beforehand for a copy of the district policy regarding animals in school buildings. ([Board Policy ING](#))

Lebanon Community School District Elementary Student Expectations, Procedures, and Discipline Handbook

Welcome to Lebanon Community School District! Our goal is to establish and maintain a positive, safe and productive learning environment where all students learn. The staff at our elementary schools are committed to encouraging and expecting safe, respectful, and responsible behavior from all our students. Furthermore, we believe that it is important to take a positive and restorative approach to teaching and learning safe, responsible, and respectful behavior. We want students and parents to be well informed about our expectations and procedures in the district. The following information communicates what is expected of our students, procedures used to promote positive behavior, and how misbehavior is handled at school.

The Lebanon Community School District Elementary Student Expectations, Procedures, and Discipline Handbook is a tool to help ensure consistent and clear behavioral expectations for our students and staff. This plan will be implemented throughout the school environment. We hope that this plan will help you to better understand the school and our behavioral expectations for the elementary students in the Lebanon Community School District.

In an effort to work together, we ask that you take a few moments to review the Hamilton Creek School Student & Parent Handbook, including the Lebanon Community School District Elementary School-Wide Behavior Plan. You can request a written copy or visit the district's website at <http://lebanon.k12.or.us/> and select "Hamilton Creek School."

Please review this plan and the student, parent, and teacher expectations on the back of this page. Please sign the front and back of this form and return to your child's school. If you have any questions or concerns, please feel free to contact your child's teacher or the school office.

Thank you!

Lebanon Community School District Staff

I have reviewed the Hamilton Creek School Student & Parent Handbook, including the Lebanon Community School District Elementary School-Wide Behavior Plan, and agree to abide by the expectations. Additional copies of this form will be provided to sign and return. Thank you.

BEHAVIOR EXPECTATIONS

At Lebanon Community School District, we believe in a positive and restorative approach to behavior and discipline. Realizing that, we have three Community Expectations for each and every student and staff member to live by:

BE SAFE

BE RESPECTFUL

BE RESPONSIBLE

If you make it a habit to always act according to our community expectations, you will be successful.

FOUR STEP SYSTEM FOR HELPING STUDENTS MANAGE THEIR BEHAVIOR

Step 1: Teach & Reteach

When staff notice that student behavior is inappropriate, they ask students questions regarding the school rules to be sure that the student understands the expectations. If the student does not respond correctly, staff state the rule in a way that can be understood and in a positive manner.

Step 2: Classroom/School-wide Intervention (Document Behaviors - minor/major)

If expectations are still not being followed after it is clear the student understands the rule, a series of classroom/school-wide interventions are used. These interventions are designed to provide immediate feedback to the student about their behavior that is logical to the offense and provides an opportunity for the student to learn how to behave appropriately in the future. The consequence is decided by the adult in charge and is carried out immediately. Classroom/school-wide interventions include but are not limited to: offering help, changing activities, acknowledging someone who is behaving appropriately, providing choice, buddy classrooms, having a private conversation with the student, preferential seating, removal from the activity, using proximity, and a host of other problem-solving activities. Parents are notified of all minor/notice of concern behaviors and interventions by email or phone call.

Step 3: Parental Intervention

If classroom/school-wide interventions do not change behavior, parents will be contacted to enlist additional support. Often, involving parents through phone calls, email, ParentSquare, or scheduled meetings produces the desired result much more effectively than what can be accomplished just as a school. If parents have concerns and would like to request additional supports, please contact the office to request a team meeting.

Step 4: School Team Intervention

Whereas classroom and school-wide interventions are immediate and made by individuals, team interventions take time and are made by more than one staff member. These interventions include developing a positive behavior intervention plan, documenting interventions (e.g., Check-in/Check-out - CICO, Check and Connect, and/or a 3-point data), brainstorming solutions, and sharing information. It can also lead to a more formal plan, starting with a parent meeting to start the process of completing an in-depth functional behavior assessment, developing a positive behavior support plan, documenting interventions, brainstorming solutions, and sharing information.

STUDENT EXPECTATIONS, INTERVENTIONS, and RESPONSES

School Expectations

Expectations, rules, and policies help us create a safe and orderly environment. If a need arises to create new school rules during the year, we will let you know through Tuesday folders or notification from ParentSquare. Students are responsible to know and follow all school expectations and district policies as presented in the district student/parent handbook.

If you have any questions about any school or district rule, please don't hesitate to ask. Please remember that school expectations apply on the school grounds, in school, at the bus stop, on the bus, at all school sponsored events, and on the way to and from school.

Please see the [Lebanon Community Schools Student / Parent Handbook](#) for a complete description of the district's policy and further explanation of student rights and responsibilities.

Minor Inappropriate or Disruptive Behaviors

Expectations apply to all students while at school, at all school-sponsored activities, and while traveling to and from school. Minor misbehavior is not considered to be serious in nature, unless it becomes a sustained behavior. Strategies are used to teach more appropriate behavior so students know what is expected of them. Logical and related consequences for misbehaviors are applied and the supervising adult determines the consequence. When students choose not to follow the student expectations they will be corrected in **one or more** of the following ways.

Definitions of Minor Inappropriate or Disruptive Behaviors

Defiance/Disrespect: Student engages in brief or low-intensity failure to follow directions or talks back; student delivers low-intensity, socially rude, or dismissive messages to adults or students.

Disruption: Student engages in low-intensity, inappropriate language.

Dress Code Violation: Student wears clothing that is near, but not within, the dress code guidelines defined by the school/district.

Physical Contact: Student engages in non-serious, inappropriate physical contact.

Property Damage/Misuse: Student engages in low-intensity misuse of property.

Technology Violation: Student engages in non-serious, inappropriate use of technology, which may include the use of cell phone or other personal electronic devices (PEDs).

Other Minor Inappropriate or Disruptive: Student engages in any other minor misbehavior that does not fall within the above categories.

Consequences for Minor Inappropriate or Disruptive Behaviors Violations May Include:

- Verbal reminder and discussion about **appropriate** behavior, use of a problem-solving/reflection form, and/or issue of an apology
- Time out in classroom to re-focus, followed with problem solving or apology (form or conversation)
- Use of a Buddy Classroom or Reset Room
- Loss of privileges (i.e. time with peers, free time)
- Community service in the school or classroom
- Contact/conference with Behavior Support Person, Dean of Student Success, or Counselor
- Parent contact
- Minor Referral is completed and parents are notified
- Other appropriate strategies/ interventions developed by school staff

Major Serious or Unsafe, Inappropriate, or Disruptive Behaviors

Serious behavior is misbehavior that is unsafe, disrupts an orderly environment, is serious in nature, and requires administrator/designee to be involved. Such behavior violates the rights of others, puts self or others at risk of harm, or is chronic.

Definitions of Major Inappropriate or Disruptive Behaviors

Alcohol Possession/Use: Student is in possession of or under the influence of alcohol or alcohol related objects.

Bullying: One-sided sustained or intense events where student is intentionally hurtful and doesn't stop when asked; causing harm and/or distress to another.

Cheating: Student acts dishonestly or unfairly in order to gain an advantage.

Major Defiance: Student engages in refusal to follow directions or talks back.

Major Disrespect: Student delivers socially rude or dismissive messages to adults or students.

Major Disruption: Student engages in behavior causing an interruption in a class or activity. Disruption includes sustained loud talk, yelling, or screaming; noise with materials; horseplay or roughhousing; and/or sustained out-of-seat behavior.

Drug Possession/Use: Student is in possession or under the influence of drugs/substances, imitations, or related objects.

Fighting: Student is involved in mutual participation in an incident involving physical violence.

Forgery: Student has signed a person's name without that person's permission or claims someone else's work as their own.

Inappropriate Language: Student delivers verbal messages that include swearing, name calling, or use of words in an inappropriate way.

Physical Aggression/Assault: Student engages in actions involving serious physical contact where injury may occur (e.g. hitting, punching, hitting with an object, kicking, hair pulling, scratching, etc.)

Major Property Damage: Student participates in an activity that results in destruction or disfigurement of property.

Major Technology Violation: Student engages in inappropriate use of technology, which may include the use of cell phone or other personal electronic devices (PEDs).

Theft: Student is involved in being in possession of, having passed on, or being responsible for removing someone's property

Threats: Student displays words and/or actions with intent to harm and/or endanger others or property.

Tobacco Possession/Use: Student is in possession or using tobacco or nicotine delivery products (i.e.. vape pens, e-cig, Juul).

Vandalism: Student participates in activity that results in destruction or disfigurement of property.

Weapons: Student is in possession of knives, guns, or other items readily capable of causing bodily harm or intended to be used to hurt, harass, or threaten others. Toy replicas of weapons are also prohibited.

Other Major Serious or Unsafe Misbehaviors: Serious behaviors not listed that affect the safety of others and disrupt the school's learning environment such as fire setting or false fire alarms.

Consequences for Serious and/or Unsafe Behavior Violations May Include:

When students engage in serious and/or unsafe behavior, a Major Referral will be completed by a staff member and communicated to the Dean of Student Success. Upon receipt of the Major Referral, the Dean of Student Success and behavior support personnel will investigate the incident, provide an opportunity for the student and others involved to be heard, consult with the administrator or designee to determine most appropriate next steps and disciplinary action to be taken. The classroom teacher, administrator, or designee (depending on behaviors involved) will contact the student's parents or guardian. Information regarding the incident will be documented. Referral data will be placed in the student's file, along with any supporting documentation. Any required school district reports will be compiled and sent to the District Office.

To determine consequences for misbehavior, the seriousness of the infraction, the age of the student, any history of prior misbehavior and/or office referrals, and any other pertinent information will be used. The administrator/designee will set forth consequences, and because student behavior programs may vary in degree, corrective action to be taken must be determined by the professional judgment of the administrator. Consequences may include a combination of the following actions:

- Conference with student / teacher / parent / staff
- Loss of privilege or time out
- Detention / Alternate Recess
- Apology, Reflection, and/or Problem-Solving Sheet
- Community service
- Behavior contract
- Referral to Student Support Team
- In-school, out-of-school, or reverse suspension
- Recommendation for expulsion

ADDITIONAL BEHAVIOR EXPECTATIONS and SUPPORTS

HAMILTON CREEK SCHOOL MAKES A POSITIVE AND UNIQUE CONTRIBUTION TO THE PERSONAL GROWTH AND ACHIEVEMENT OF OUR STUDENTS.

STUDENT RECOGNITION

A variety of **recognition strategies** will be used at Hamilton Creek in order to **encourage positive student behavior**. We **celebrate** student **success** by acknowledging groups and individuals who demonstrate appropriate behaviors that meet our expectations.

Cougar Slips – recognize students who show respect, responsibility, and safety.

Optimist of the Month – recognizes the student at each grade level who is an optimist and is helpful to others. Each optimist student receives a certificate and is eligible for the Optimist Scholarship award to help pay for college. Winners are also invited to The Junior Optimist Youth Award dessert in the spring.

Student of the Month – recognizes excellent citizens in each class every month K-5.

Language Arts Student of the Month – recognizes a student in each class who demonstrates reading and writing proficiency, K-5.

Math Student of the Month – recognizes a student in each class who demonstrates mathematical proficiency, K-5.

Each Middle School content teacher acknowledges a student each month – grades 6-8

AVID Students of the Month - grades K-8

Cougar Leaders of the Month – recognizes students who are safe, respectful and responsible all month

Bus Behavior

Students riding the bus are expected to obey the bus driver's directions and follow all bus expectations. Citations are given to students when they are having behavior problems on the bus and refuse, after verbal warnings, to comply with the driver's directions. Citations will not be issued unless students clearly fail to comply with the expectations. Continued problem behavior may result in suspension of bus riding privileges. Parents will be notified of infractions and consequences. For the safety of everyone involved, proper behavior must be adhered to at the bus stop and during the bus ride. Your help in encouraging safe bus behavior is appreciated. ([Board Policy EEACC](#))

Displays of Affection

Students hugging, holding hands, walking arm-in-arm, and other public displays of affection are not appropriate at school. Students are not to engage in physical displays of affection while at school.

Dress

Students at Lebanon Community School District are expected to wear clothing that does not interfere with focusing attention on learning, does not disrupt school activities, or which does not threaten the safety of others. These guidelines are based on district policy. At Lebanon Community School District, we believe that structure is important and helps students learn and we believe that families can make positive choices about their student's clothing. A good rule to live by when getting dressed for school: If you think the clothing you want to wear is questionable, DO NOT wear it. It is better to play it safe than be forced to go home or change after you are at school. The responsibility of the dress and grooming of a student rest primarily with the student and their parent/guardian. A school dress code should accomplish several goals including:

- allowing students to wear clothing that expresses their self-identified gender
- allowing students to wear religious attire without fear of discipline or discrimination
- ensuring that clothing does not detract from the educational learning environment - clothing that reveals undergarments, underwear or a student's midriff can detract from the educational climate
- maintaining a safe learning environment in classes where protective clothing is needed such as P.E
- providing students with a safe community that prohibits clothing with offensive images or language including profanity, implied profanity, and hate speech
- providing students with a safe community that prohibits wearing clothing with images or language depicting or advocating violence or the use of alcohol or drugs
- ensuring that all students are treated equitably regardless of gender/gender identification, sexual orientation, race, ethnicity, body type/size, religion, and personal style
- wearing clothing in which fabric is covering all private parts and must not be see-through
- allowing hats and other headwear in which the face and ears are visible and does not interfere with the line of sight to any student or staff
- ensuring that clothing does not depict, advertise, or advocate the use of alcohol, tobacco, marijuana, or other controlled substances
- ensuring that clothing does not depict pornography, nudity, or sexual acts
- ensuring that clothing does not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected groups
- ensuring that clothing does not include gang identifiers or violent images

If the student's attire or grooming threatens the health or safety of any other person, then staff responses should be consistent with discipline policies for similar violations. Staff will apply dress code equitably and consistently. If conversations about dress code occur, they will be respectful and discreet. Any discussion with a student about dress code should be done privately. ([Board Policy JFCA](#))

***Students have recess regardless of weather conditions. It is advisable to wear warm, water-resistant clothing during the long rainy season. Hats or hooded jackets are also helpful.**

Field Trips

Field trips are an important educational opportunity and are connected to learning in the classroom. Parents will be notified with a permission slip if their child is invited to participate in a school related field trip. As a representative of Hamilton Creek School, we expect our students to have positive behavior when out in the community. Students who demonstrate the ability to manage their own behavior will have the privilege of going on field trips. When behavior warrants concern at school, students may be excluded from excursions or a parent may be asked to accompany the child, at the discretion of the teacher and principal. In such cases, parents will be notified in advance. We do not allow siblings or student visitors to attend field trips. Parents wishing to chaperone on field trips are subject to the same policies and application process as school volunteers.

Fighting
ANY physical contact, including fighting or “play-fighting”, is not allowed at school and may result in in-school or out-of-school suspension.

Food, Drink, and Gum
Food and drink provided by a teacher may be consumed under teacher supervision in classroom. **Soda and energy drinks are not to be packed for student snacks or lunches.** For your safety, there will be **NO** sharing of food or drinks. Gum is allowed (with teacher consent) in certain middle school classrooms.

Harassment and Bullying
It is never, ever, okay to pick on other students or staff, call names, or purposely make other students feel bad. Harassment of any nature may result in a referral. Examples of harassment include: name-calling; physical contact like pushing, poking, or tripping; glaring and mean looks; making threatening gestures or statements; taking or destroying someone’s property; spreading rumors or lies; lying to an adult about something someone did to get them in trouble; saying nasty, obscene, or mean things; making unkind remarks about a person’s parents; calling someone fat, short, gay, stupid, etc.; or referring to a race or other things in a mean way to hurt others.

Being a good citizen means standing up to what is wrong. If we do that, harassment will end. Tell an adult if you know or have heard of a dangerous situation. It might be tempting to be mean right back. Getting even with someone for their bad behavior does not help, is not allowed, and will get you in trouble, too! Follow this plan instead:

1. First, ask the student to stop and tell them that you do not like what they did.
2. If it happens again, ask the student to stop and state that you do not like what they did. Warn them you will tell an adult.
3. If the problem still does not go away, seek help from an adult.

Remember, bullies pick on others because they can get away with it. As soon as they are discovered and found out, they will stop. Take a stand against harassment by not harassing anyone yourself and speaking up for yourself or your friends to be harassed.

At Lebanon Community School District, students learn that there is a difference between rude, mean, and bullying:

- **Rude:** when someone is unintentionally hurtful one time
- **Mean:** when someone is intentionally hurtful one time
- **Bullying:** when someone is intentionally hurtful over and over or doesn’t stop when asked to

When someone is rude, students are expected to work it out themselves. When someone is mean, the student is expected to decide if it is a big deal or a little deal. If it is a big deal, they should tell a staff member. When someone is bullying, students are expected to immediately get an adult involved.

Students need to tell a school staff member as soon as possible if an incident that involves harm happens, or if they believe bullying is happening to them or someone they know. We can only act when we have information.

If you believe your child is being bullied:

1. Find out which staff member your student has talked to. Gather all information that your student has told you about the bullying.
2. Contact the teacher, counselor, or behavior specialist and let them know what you and your student believe is happening.
3. Give us time to investigate. While we cannot update you with the exact consequences a student receives, we can talk your student through the process. We take bullying behavior very seriously and want to make sure we have all information before taking action.
4. We will contact you and give your student a plan outlining exactly what to do if something else happens.
5. If you believe that the bullying is continuing after steps 1-4, set up an appointment with the school. Please bring all documentation related to the bullying.

Throughout the year, our staff teach lessons to all students on a variety of social/emotional growth topics, including bullying and harassment through district approved curriculum. These lessons are delivered by teachers or counselors and are supported throughout the school environment.

We appreciate when parents advocate for their students. However, we cannot do anything about specific bullying incidents if we don't know about it. If your student hasn't told us about it yet, please be patient as we work through the information you give us and we do everything we can to keep your student safe. ([Board Policy JFCF](#))

Language

Using any swear words in school is not allowed. If you are upset with someone, abusive or profane expressions are not acceptable. Cool down first and work on expressing yourself in an appropriate way.

Passing Time Expectations

All teachers escort and supervise their class in the hallways, staying with them in a continuous line of sight until they have reached their destination (K-5). Students will walk in a single file line, with a voice level of 0, out of respect for our quiet learning environment, pausing at the designated stopping points. Middle school students (6-8) may pass from class to class on their own, maintaining a calm and courteous presence and following all school rules. Teachers will teach and reteach the expectations regularly throughout the year to ensure respectful hallway behavior. All staff will monitor student behavior with friendly and firm supervision.

Personal Property/Cell Phones and Personal Electronic Devices

We ask that students bring only school related materials to school each day. All other items are to be left at home to minimize school distractions. The classroom teacher will determine acceptable electronic devices/items. Those devices/items, however, are not permitted around the school, outside of assigned times/spaces. **Cell phones should be off and away during the school day**, unless staff specifically gives permission. Students unable to maintain respectful and appropriate care of any allowed item will be supported by an adult to find a safe space for the item; the space could be, but is not limited to, the student's backpack, the teacher's desk, or the main office. The school cannot be held responsible for lost, stolen, or damaged items. The school will investigate the incident within reason, but ultimately, students will be responsible for all personal items. ([Board Policy JFCFB](#))

If a cell phone becomes a distraction to the learning environment, a safety or security issue, or a means of bullying, any staff member has the right to take the device and turn it into the Office.

Consequences will be applied leading to the loss of the privilege:

First Offense – cell phone turned into the Office; it may be picked up at the end of day

Second Offense – cell phone turned into the Office, with parent/guardian pick up

Third Offense – loss of privilege to have phones at school. Parents may request a meeting to develop a cell phone responsibility plan. This would be considered for transportation safety reasons only.

Communication to and from home may be done through the front office.

- AirPods/Earbuds/Headphones are not allowed in hallways or classrooms and should be out of sight
- Photos and videos may **NOT** be taken to help ensure student safety and adhere to ID protection laws
- All school rules apply at breaks and lunch time

Any item brought to school without teacher permission, or one that causes a disturbance, will be taken from the student. This includes, but is not limited to, games, toys, trading cards, or any other personal items. The following protocols for handling confiscated items will be:

First Offense – Electronic device/item is placed in the office or classroom to be picked up by the student at the end of the day.

Second Offense – Electronic device/item is placed in the office or classroom and the parent contacted to pick up the electronic device/item at the end of the day.

Third Offense – Electronic device/item is placed in the office and the parent contacted by Administrator to pick up the electronic device/item after a meeting with the parent and student.

Fourth Offense – Student is no longer allowed to possess the electronic device/item on school property. Alternative arrangements may be made at the discretion of the teacher and principal.

Possession or Use of Tobacco, Alcohol, Drugs, or Weapons

Tobacco, inhalant delivery systems such as vape pens, alcohol, or illegal substances are not allowed on campus at any time. ([Board Policy JFCG](#))

Firearms and other weapons, including replicas of weapons, are forbidden on school district property, property under the jurisdiction of the district, or at activities under the jurisdiction of the district. Disciplinary action will be taken against students who possess weapons and those students who assist with the possession of a dangerous weapon. Students face disciplinary action up to and including suspension and expulsion. Law enforcement officials will be contacted. Weapons include, but are not limited to, guns, chains, metal knuckles, knives, straight razors, and poisons. ([Board Policy JFCJ](#))

Technology/Computer Use

Students may use the school computers, provided they have parent permission. Misuse of any computer will result in the student losing some or all computer privileges for a time period and having to pay for the cost of any damages done to the computer software or hardware. ([Board Policy IIBGA](#))

Threats

When the administrator receives a report of a threat, they may:

1. immediately remove the student from any class
2. place the student in a setting where the student will receive immediate attention from appropriate school or law enforcement personnel
3. require the student to be evaluated by an appropriately qualified professional, such as the school counselor, before returning to class

Within 12 hours of discovery of a targeted list or learning of a threat, the administrator or designee will notify by phone personally:

1. the parent of any student violating this policy and the discipline imposed; parents of a student when the student's name appears on a targeted list that threatens harm or violence to the students on the list; when threats are made by another student; or any school employee whose name appears on a targeted list threatening violence or harm to the district employee
2. written follow up notification will be sent within 24 hours after the discovery of a threat or targeted list
3. the administrator will also notify the district office upon learning of a threat

Students who have information or knowledge about a threat should inform a teacher, the counselor, or principal immediately. Parents and other adults are also encouraged to report threats or threatening behavior to the office. All reports will be promptly investigated. Students who violate this policy are subject to discipline up to and including expulsion from school. A referral to law enforcement may also be made. ([Board Policy JFCM](#))

PBIS at HAMILTON CREEK

Positive Behavioral Interventions and Supports (PBIS) means we teach and reteach expectations, recognize and reward positive behavior and work to create a positive and supportive school climate for every student. The school staff have identified **three behavioral expectations** that each student will follow to help build successful learning environments: ***BE SAFE, BE RESPECTFUL, BE RESPONSIBLE!***

We are SAFE

Students at Hamilton Creek are **SAFE** when they engage in self-control, think before acting, accept responsibility, treat others with kindness, accept directions, respect limits, and respond without incident to reasonable adult requests from staff.

- **BEING SAFE** includes the **VIRTUES** of integrity, initiative, flexibility, perseverance, orderliness, humor, helpfulness, responsibility, patience, cooperation and caring.

We are RESPECTFUL

Students at Hamilton Creek are **RESPECTFUL** when they use appropriate language, accept differences, respect personal space and property, empathize with others, and settle conflicts appropriately.

- **BEING RESPECTFUL** includes the **VIRTUES** of integrity, friendliness, cooperation, flexibility, perseverance, patience, caring, compassion, consideration, and courtesy.

We are RESPONSIBLE

Students at Hamilton Creek are **RESPONSIBLE** when they keep the school clean, care for all property, and agree to follow school expectations.

- **BEING RESPONSIBLE** includes the virtues of cleanliness, commitment, diligence, determination, generosity, helpfulness, and self-discipline.

Voice Level Expectations

Assemblies

Assemblies are scheduled throughout the year to provide opportunities to celebrate positive student behavior, experience cultural enrichment, recognize students' academic and behavioral achievements, and enjoy student and staff competitions/performances. Recognition and award assemblies are scheduled each month, where we will recognize individual students based on a variety of virtues and classroom winners of various school-wide awards. Please refer to ParentSquare updates for information on upcoming assemblies.

ATTENDANCE

Absences

Student attendance is an important issue for schools and is regulated by Oregon Law and School Board Policy. We expect our students to attend school (and be on time) every day that school is in session, unless excused by the administration of the school.

Oregon Law (ORS 339.065) defines regular attendance as “not including more than eight unexcused half-day absences or the equivalent (4 whole days) in any four-week period that school is in session”. If your child has irregular attendance the school will notify you by letter. If he/she continues to show irregular attendance the Linn-Benton Attendance Officer will be notified, which may result in legal proceedings being implemented. We may also refer a student who has had excessive excused absences.

Excused Absences

In accordance with [Lebanon School Board Policy JED](#): “The principal will be responsible for assessing and acting upon parental requests for students to be excused.”

Oregon Law (ORS 339.065) states “an absence **may** be excused by a principal...if the absence is caused...by the pupil’s sickness, the sickness of some member of the pupil’s family, or by an emergency”. Absences may be excused on a case-by-case basis for the following reasons:

- medical appointments/procedure
- illness (require doctor note if absent after three consecutive days or chronic attendance concern)
- death in the family
- family emergency
- signs and symptoms detailed in the LCSD Exclusion Form
- absences in response to current COVID-19 protocol

Pre-Arranged Absences

Please see the front office for a copy of the Pre-Arranged Absence Form

Please note that vacations and trips out of town may not be excused. Students and families must make prior arrangements. Criteria for pre-arranged absences include the following:

1. History of regular attendance (90% or more)
2. Up to three days unless authorized by administrator
3. All trips are to be arranged one week in advance
4. Request **all work** for the time student will be gone
5. After teacher and parent have signed, please return form to the office for approval
6. **1st day back, student turns in work to teacher.** Teacher reviews and informs administrator of completion

We require: a phone call, email or note from a parent/guardian informing us of the date of the absence and the reason for the absence within 48 hours (two days) of the student returning to school. Your assistance is an important ingredient in home/school communication.

Illness

Every day of school is important to the education of your child, but a child should not be sent to school if they show signs of illness. If your child has had an elevated temperature, please wait until it has been normal for 24 hours before sending them back to school. All students well enough to come to school will be considered well enough to go outside for recess. Please call or send a note with your child when they return to school, stating the nature of the illness and the date/dates that your child missed school. **A doctor’s note will be required for an extended absence due to illness. Other protocols and procedures may be in place due to the COVID pandemic. The school will follow guidance from Ready Schools, Safe Learners regarding returning to learning and any exclusions, quarantines, etc.**

Leaving School Early

Hamilton Creek School is a closed campus and students may NOT leave the school grounds at any time during the school day without permission from the office and parent/guardian. If a student must go to an appointment during the school day, they can bring a note from their parent/guardian to the office. When their approved ride arrives, the student will be called to the office and the parent will sign the student out. Please sign them back in at the office upon their return.

For safety reasons, students needing to leave during the school day for appointments, etc., *must* be checked out by an authorized adult through the office and *not* from the classroom.

Unless notified in writing by a parent/guardian, school personnel may **ONLY RELEASE STUDENTS TO PEOPLE WHOSE NAMES ARE LISTED ON THE ENROLLMENT CARD**. Any student that needs to go home with a person not listed on their enrollment card must have a note signed by a parent/guardian. Please keep us informed of any changes in regards to who may, or may not, pick up your child so that we can keep current information on file. You may add or delete persons on the enrollment card by coming into the office or by sending a note.

Moving or Transferring

Please notify the office of any change of address or telephone number. If you move to an area outside of the Hamilton Creek School attendance area, you must request an enrollment following relocation form from the school's main office.

Make-up Work

Make-up work is the responsibility of the student who is absent. If absent, the student will need to talk to the teacher and make necessary arrangements. Please be aware that on many occasions work collected to be sent home will be different than the work done at school. This is because much of the work done at school is lab-based, activity-based, and team-based learning. That kind of work cannot be duplicated at home. Please refer to your student's classroom teacher for their policy on missing work.

Tardiness

Students are considered tardy if they are not with their class when the bell rings. Tardy students must check in at the office after the 2nd bell to receive an admittance slip before going to class. Please be conscientious about on-time arrival so that students begin their day with the rest of their class.

ARRIVAL/ DISMISSAL

Before School Supervision/Closed Campus

Hamilton Creek School is a closed campus. That means students cannot leave campus once they arrive. Supervision is available from the time buses drop off in the morning to the time buses pick up in the afternoon. Students should not be on campus before or after those times unless they are involved in a supervised after-school or before-school program of some kind. If they arrive before supervision begins and the school doors are locked, please have students line up at the door and wait patiently.

Traffic Flow Procedure

Traffic congestion occurs at Hamilton Creek School before and after school. School buses are arriving and departing, parents are arriving for meetings with teachers and many vehicles are arriving to drop children off at school, or to pick them up. A traffic management plan has been designed to expedite traffic flow and reduce the risk of accidents. We need your patience and cooperation! Please work with us in trying to ensure the safety of everyone.

Parent Drop-off and Pick-Up

- The west traffic loop in front of the school is reserved for **SCHOOL BUSES ONLY**.
Absolutely NO student drop off or pick up!! Thank you.
- The south traffic loop/parking lot is reserved for PASSENGER LOADING / UNLOADING.
- The south traffic loop is one way, with traffic flowing east to west and around.
- To drop off or pick up students, ***pull forward as far as possible*** in the passenger loading/unloading lane and quickly load or unload.
- Please have students leave from the passenger side of the car closest to the sidewalk for safety in the YELLOW marked loading zone.
- If you need extra time to write a note, run into the office, etc., **please park in a parking spot** so as not to delay traffic.

- If your passengers are not waiting when you pull in to pick them up, please drive back around and reenter the traffic loop, and/or park in the parking lot.
Please do not park in the passenger loading/unloading lane.
- Parents wishing to park and wait outside for students are asked to wait at the parent waiting area, at the far end of the traffic loop. A staff member will send your student to you.

After School Guidelines

Please make arrangements with your child before they leave home in the morning regarding where they go after school. A note is required if there is any deviation from your student's normal after school routine (i.e., changes in busing, rides home, or persons picking up student). **A student will not be released to anyone who is not on their enrollment card without the written permission of a parent/guardian.**

If your child wishes to go home with another student, the school must have a note from you indicating your permission, including your child's name and whom your child is going home with. Arrangements for these activities **MUST** be made at home. Phone calls for this will not be allowed at school. For safety reasons, unless otherwise notified by a parent/guardian, students will be sent home by their usual mode of transportation. We cannot let students go home a different way on the word of the student.

Bicycles, Skateboards, Scooters and Skates

Bicycles, skateboards, scooters, and inline skates are personal property. All bicycles, skateboards and scooters must be kept in the bike rack outside and are brought to school at the sole risk of the owner. Students need to remove skates when they reach the bike racks. **Students who ride their skateboards/rollerblades/scooters on campus in violation will have them confiscated for parents/guardians to retrieve. Bicycles need to be locked when at school. The school is not responsible for lost or stolen bicycles.**

School Bicycle Regulations

1. It is Oregon law that children 16 and under wear helmets when riding bicycles. If you need assistance in getting a helmet for your child, please contact the Lebanon Police Department.
***Students without helmets will not be permitted to ride their bicycles home.**
In this case, a parent will be notified.
2. Only one child rides on a bicycle.
3. The child will obey regular traffic regulations:
 - a. Stop at STOP SIGNS
 - b. Ride on the RIGHT-HAND SIDE of the road
 - c. Ride in SINGLE FILE
 - d. Use HAND SIGNALS
4. All bicycles must be licensed. These are available at the Lebanon Police Department.
5. Bicycles are to be walked (not ridden) on school grounds and when crossing streets.
6. Students are not to borrow other students' bicycles.

GENERAL INFORMATION

Communication

Effective communication between school and home contributes to quality education. We encourage you to contact the school by phone, email, or note should a concern arise. Please keep in mind, however, the importance of helping your child become an independent problem solver. Please also consider teachers' needs to balance communication and problem solving with their need to spend time planning and preparing for effective daily lessons. Every effort is made to keep parents well informed about school procedures, policies, events, and special issues regarding individual students.

If you call the school to speak with a teacher during class time, you will be asked to leave a message or be directed to that teacher's voicemail. Instruction time is valuable and we make every effort not to interrupt classes while in session. Any message that you leave will be promptly delivered to the teacher at his/her next break. If you call after office hours, the automated attendant will direct you to leave a message in the general school voice mailbox or in a specific teacher's voice mailbox.

Holiday/Classroom Celebrations

We feel there is educational value in children learning to arrange and plan for classroom parties. These events typically happen during the last 30 minutes of the day. If you do not want your child to participate, please contact their teacher; your child will be excused for that time. Food to be served **MUST BE COMMERCIALY MADE AND IN THE ORIGINAL CONTAINER.** Board policy does not allow homemade goodies at school.

**BIRTHDAY PARTY INVITATIONS ARE NOT TO BE DISTRIBUTED AT SCHOOL
UNLESS ALL STUDENTS IN THE CLASSROOM ARE TO RECEIVE ONE**

Homework

Homework is assigned to provide opportunities to practice independently what has been presented in class, to improve the learning process, to aid in the mastery of skills, and to create and stimulate interest. Whatever the task, the experience is intended to be complementary to the classroom process. Grade level expectations and policies regarding homework are available from the classroom teachers.

Lost and Found

A lost and found area will be maintained at school. It is located in the hall near the gym. Valuables and small items such as jewelry, glasses, etc. are kept in the office. The school is not responsible for lost or stolen items. Students should not bring valuable items or large amounts of cash to school. Labeling all clothing and personal items is helpful. Lost and found items are kept until the end of each quarter. Unclaimed items will be donated to a local charity. Please encourage your child to look for misplaced items as soon as possible. We also encourage you to stop and take a look at any time during office hours.

Meals

Hamilton Creek School is happy to be part of the National school lunch and breakfast program called the Community Eligibility Provision (CEP). These meals provide balanced, nutritious foods that are convenient and healthy. **Breakfast and Lunch are served to all students at NO CHARGE.**

Every effort is made by our staff during lunch to encourage good table manners and good eating habits. Students are expected to behave appropriately in the cafeteria. Students needing substitute foods because of allergies must have a STATEMENT SIGNED BY A PHYSICIAN.

Regular Communication

Lebanon Community School District is now using the ParentSquare platform for the district, school, and classroom communications, primarily with email, text, and app notifications. ParentSquare is our primary vehicle for communicating to parents, aside from our website. It is an excellent source of school, and community news. We encourage you to take time to check ParentSquare notifications and call if you have any questions.

Former PTA

Hamilton Creek School has had an active and involved Parent Teacher Association (PTA) for many years. Many enriching activities are provided using parent volunteers. In addition, resources are made available to teachers through PTA funds and programs. After the 2021-22 school year our PTA will no longer be active but will reform as a PTC or similar group. Please consider getting involved as more information comes out in the Fall of 2022. We love our volunteers!

Report Cards

Except for the final report card, report cards will be sent home in Tuesday folders at the end of each quarter for K-5 students. Final report cards for grades K-5 and for students in 6-8 report cards will be mailed at the end of each quarter (October, January, March, June) unless they were received in person at parent-teacher conferences. We encourage you to contact the teacher if you have a concern about your child's progress. Progress Reports and Report Cards may also be sent out electronically via email.

Student Photos

Hamilton Creek School publishes class photos and yearbooks each year containing the photos and names of students attending Hamilton Creek School. These are made available to students, parents/guardians and staff. **If you *do not* want to have your student's photo included in a class picture, yearbook or posted on the website/Facebook, you must notify the school office.**

Telephone Messages/Student Phone Usage

Our telephone lines are quite busy, and though we hope you feel free to call at any time, we encourage written communication whenever possible. Please avoid calling school with messages for your child and make arrangements at home prior to school whenever possible. This will limit classroom disruptions and lighten the load of our office personnel. If you need to call the office with a change in your child's "going home" plans, please call by **1:30pm. We cannot assure messages received after 1:30pm will be delivered to classrooms. We must limit student use of the office telephones to emergency situations only.**

Website/ParentSquare

Hamilton Creek School has a website located at <http://Hamilton-Creek.lebanon.k12.or.us/>, we will also be using ParentSquare for our most up to date and regular communication. This is a great way to check important dates and access many useful tools and information about Hamilton Creek School. Please consider accessing these resources when you have any questions about upcoming events or pertinent information.

Weekly Communication

A "Tuesday Folder" is sent home with your child each Tuesday. You will find communication regarding all-school activities and information, community events and information from your child's teacher that may be specific to the classroom. You may also send information to your child's teacher through the Tuesday Folder. **It is very important that you take time each week to look through your child's Tuesday Folder, as this is the main form of communication from school to home.**

HEALTH PROGRAM

Health Room/Screenings

The school district employs two registered nurses who serve all the schools in the district. They are available by page for emergencies and consultation. Our health room is staffed by trained personnel whose duties are diverse, from administering first aid and necessary medication, to monitoring the general health and well-being of our students. Our health room is used for emergency care and for ill students waiting to be picked up. Space and personnel are not available to accommodate extended care or supervision. Health screenings are given each fall to all students. At this time our goal is for students to have their vision and hearing checked. You will be notified only if your child shows the need for further evaluation by a health care provider.

Accidents

If a child is injured at school, a staff member trained in first aid will provide emergency first aid. In the event of a serious injury, parents/guardians will be called immediately. If a parent/guardian cannot be reached, we will begin calling the people listed as emergency contacts for your child. Your assistance in providing complete and up-to-date information for our records is imperative, especially current home and work phone numbers and emergency contact phone numbers. We keep records on any child who has serious health concerns that may require immediate attention or medication. Please keep us informed of your child's health status so we can help when necessary.

Immunizations

For the protection of your child, the Oregon School Immunization Law requires that your child be properly immunized. We must have proof of immunization in your child's education record before he/she can begin school. Immunization requirements vary from state to state. If you have questions regarding Oregon immunization requirements, you may call the school office.

Medications

Students may be permitted to take prescription or nonprescription medications at school when the following requirements are met:

- Requests to administer medication must be made in writing by the parent. **Lebanon Community School District (LCSD) medication forms are available at the school office.**
- Written instructions of the physician are required for all requests to administer prescription medication. Such instructions must include the following information: student name, name of the medication, dosage, route, frequency of administration, and any special instructions. A prescription label meets these requirements.
- Prescription medication must be in an appropriately labeled prescription container that includes the name of the student, the name of the medication, dosage, route, frequency of administration, and the name of the prescribing physician. Nonprescription medication must be in the original container and must have dosage instructions that are appropriate for the age or weight of the student requiring medication.
- All medication to be administered by the school must be personally delivered to school by a parent/guardian. **Students are not allowed to transport medication to and from school.** Medication not picked up by the parent/guardian within five days of the end of the medication period or at the end of the school year, whichever comes first, will be disposed of by the school.
- Only a trained, authorized staff member may be allowed to administer medications. This policy is derived from state law and includes cough drops, throat lozenges and all over-the-counter medications as well as prescriptions.

STUDENT PROGRAMS

Field Trips

Field trips are an important educational opportunity and are connected to learning in the classroom. Parents will be notified with a permission slip if their child is invited to participate in a school related field trip. As a representative of Hamilton Creek School, we expect our students to have positive behavior when out in the community. Students who demonstrate the ability to manage their own behavior will have the privilege of going on field trips. When behavior warrants concern at school, students may be excluded from excursions or a parent may be asked to accompany the child, at the discretion of the teacher and principal. In such cases, parents will be notified in advance. We do not allow siblings or student visitors to attend field trips. Parents wishing to chaperone on field trips are subject to the same policies and application process as school volunteers.

Middle School Athletics

Lebanon Community School District athletics for Middle School are coordinated through Seven Oak Middle School. Please check the [Hamilton Creek website](#) or contact Ryan King, Middle School Athletics Director, at (541) 451-8416 for more information.

Physical Education

All students have physical education classes taught by a P.E. specialist. Students are expected to participate in P.E. activities. Since time with the P.E. specialist is limited, progress in this area can only be made through regular participation. If your child has a medical problem, please inform us of necessary modifications. A note from home is necessary to excuse a child from P.E. **Tennis shoes are necessary to participate in PE. Please note the P.E. schedule and dress appropriately for physical activity.**

Read-at-Home Program

The skill and love of reading are critical to the success of students and adults. One of the most powerful ways to encourage students to read is to have someone at home read to them or listen to them read. Incentives are used to help motivate students to read on a daily basis.

SMART Program

Start Making a Reader Today (SMART) is a reading program for children in kindergarten through second grade. Businesses, organizations, and local residents provide the volunteers and funds necessary to operate the program. **IF YOU ARE INTERESTED IN VOLUNTEERING FOR THIS PROGRAM, PLEASE CALL THE SCHOOL OFFICE. ALL VOLUNTEERS ARE GREATLY APPRECIATED!**
